

Zone 6 outer

Section 10-12: Tattenham Corner to Ewell West

Distance: 4.28 mi, 6.85 km

Introduction

The four stations Tattenham Corner, Epsom Downs, Ewell East and Ewell West are all very close together. This itinerary omits the middle two, to make a section which is still fairly short.

The route as a whole is pretty straightforward and flat. It proceeds northwards through Epsom and Ewell. There are cafes at Tattenham Corner, and several pubs in Ewell.

Directions

Walk straight ahead out of Tattenham Corner station.

Turn right onto the road (Royal Drive) in front of the carpark.

Turn left at the roundabout and cross the road.

When the pavement ends, continue on the path on the right, down to Tattenham Corner Road, and turn right onto it.

Follow the road round to the left along the grass verge, crossing Tattenham Crescent and Old London Road.

Then take the diagonal footpath on the right across the grass.

Keep on the path through the woods, across Grand Stand Road, and gradually downhill through a golf course.

Just after the path bends right, turn left, past a green on your left.

Keep straight ahead on this path over several intersections until you reach an intersection with a metal fence ahead. Bear right in front of it onto a bridleway alongside a wooden fence.

Cross a road. A little later, when there is a brick wall on the right, bear left.

Keep straight ahead across another road, and straight ahead along Downs Hill Road.

At the end, bear right along Ashley Road, right again along Worple Road, and right again onto a footpath just after the bowling club carpark.

At the end, turn right then left into another footpath.

At the end, turn left then right towards the church.

Go up the steps, and take the path along the left side of the church.

Keep straight on, cross a road and take the footpath opposite.

Turn north along Church Road (past the end of Grove Avenue).

Take the footpath on the left, alongside the Railway Guard.

Take the first turning right. Cross the road and carry on along the path opposite.

At the end, bear left along Church Road, and bear left again at the miniroundabout to stay on Church Road.

After crossing the railway, turn right into Providence Place, which become Dirdene Gardens. Keep on the road round a few bends to the traffic light.

Cross the main road, taking the right-hand side of the dual carriageway.

Turn right along a tarmac path before you reach the roundabout.

Bear right along the edge of the Sainsbury's carpark, and carry on up a slope to leave it.

Keep going in the same general direction at the top.

Follow the path all the way to the end, then turn right along the Kingsway.

At the end, turn left then right down Mongers Lane.

At the next road, turn left.

At the end of this road carry on along the footpath opposite.

Cross the next road and carry on along the footpath opposite Ewell Grove School.

Carry on straight ahead into Lyncroft Gardens, then turn left into the Headway.

When this road starts to bend left, take the footpath on the right.

At the end of this path, you will see Ewell West station on the left.
