Distance: 3.66 mi, 5.86 km

Introduction

This section takes us cross-country in a north-easterly direction. It corresponds to Section 19 of the Freedom Pass Circuit.

There are pubs in Uxbridge and Ickenham.

Directions

Turn right immediately after the ticket barrier, and leave Uxbridge Station from the north side

Walk past the bus station along Bakers Road.

Turn right at the main road, in front of the entrance to Christ Church.

Carry on up the hill.

Take the fourth turning left, which is Fairfield Road.

Turn right along Norfolk Road.

Go over the small bridge onto Uxbridge Common. Cross the common diagonally to the far left-hand corner.

Cross the dual carriageway, and go through the green gate behind the bus stop.

Turn right at the T junction.

At the next intersection, turn left alongside a band of low vegetation on the left.

Turn right at the next intersection. You should now have thick vegetation on your left and a view of London on your right.

Follow the path into the woods and bear right twice. You are now on a tarmac path.

Keep on this path over the dual carriageway, and follow it round to the right on the other side.

In due course, the path bends left, all the while alongside a metal fence.

At the end, follow the cycle track round to the right and over the bridge.

Then immediately turn left into Swakeleys Park.

Keep on the tarmac path.

Just before a small memorial in front of a playground, take the path on the left.

Bear right twice (do not go over the footbridge). We are now on the Celandine Route.

Keep straight ahead on the main path, with the river on your left.

Cross a dual carriageway, and continue on the path alongside the river. Pass Pynchester Moat.

When you see the railway viaduct, bear right (do not cross the river). Here we leave the Celandine Route.

Keep straight ahead on the main path. Initially it runs parallel to the railway, and later diverges from it.

Cross a tarmac path and briefly join the Hillingdon Trail.

At the end, turn left along the main road.

You will shortly get to West Ruislip Station on the right.
