

Zone 6 outer

Section 21: West Ruislip to Moor Park

Distance: 5.19 mi, 8.30 km

Introduction

This is a fairly straightforward section that proceeds northwards. The first half follows the Hillingdon Trail. At the half-way point is Ruislip Lido.

There are places to eat in Northwood and no doubt also at the Lido.

Directions

On leaving West Ruislip station, cross the road and turn right.

Turn left opposite the petrol station, and carry on past the barrier along the cycle track.

When the tarmac path bends right, bear left through a green kissing gate.

Keep straight ahead on the main path. On a right bend the Hillingdon Trail joins from the left.

Take the second turning left after this, over a footbridge.

Cross a meadow. On the far side, carry on into the trees and then bear right.

Pass Old Clack Farm on the right, go over the stile and bear right.

Take the second of the two footbridges on the right, and bear left at the fork.

Keep on the main path all the way to the end.

At the road, turn left, crossing by the pedestrian crossing.

Take the footpath on the right, between Nos. 145 and 151.

Keep straight ahead through a housing estate. At the far end of Wallington Close, carry on along another footpath.

Cross the next road and carry on along the strip of grass, with the stream over on your right.

Turn left along the main road, and go straight ahead at the mini-roundabout.

Turn right into Reservoir Road.

Pass the Lido on the right. At the mini-roundabout keep straight ahead along the footpath.

Keep straight ahead at the first intersection. The Hillingdon Trail goes off to the left.

Keep on the main path. After a climb you pass a bench on the right. The path then descends, levels out, and passes a bench on the left.

When the main path bears left, keep straight on on a minor path.

Go over a stile, and through a green kissing gate.

Follow the public path across the golf course. After a small carpark it becomes a track and then a residential road.

Cross the main road and turn left along it.

Turn right up Murray Road.

After a left bend, take the footpath right, just before the Waitrose carpark.

Follow the path over the railway, and past the carpark on the right, then immediately turn left.

At the main road turn left, then right at the traffic lights.

Take the footpath on the left, after Eastbury House.

Follow this path all the way to the end.

Turn left along the road, and carry straight on along Bourne End Road.

At the end turn left.

Just before the road goes under the railway, bear right. We are now on the London Loop.

Keep straight ahead on the path alongside the railway, until you reach Moor Park station.
